

Strategic Plan: Third Term (unfinished)

August 2018 through present

We prayerfully established four goals for our third term:

Goal 1: Lead the Church plant in Bergen op Zoom to maturity.

Goal 2: Protect the safe haven at home for personal and ministry growth.

Goal 3: Continue and encourage the opportunities for discipleship development in the southern provinces.

Goal 4: Participate in opportunities for recruitment in the US and present the Netherlands as a field of opportunities.

Goal 5: Plan a transition of ministry in Bergen op Zoom and prepare to plant a daughter Church. #2020vision
