January 27, 2012

Dear Pastor and Church Family,

Greetings from Germany! It is a privilege to be involved in what God is doing. God is working here in Germany. In the past several years we have seen three churches "graduate" from missionary status and have national leadership supported by their churches.

At present our ministry team has four couples and a single lady on the field with one couple on furlough. Six of us have passed our sixtieth birthday. Our ministry team is in need of new, younger members who can carry on the ministry of Baptist Mid-Missions in Germany into the future.

We are excited to have Mark and Leslie Boyd answer the Lord's call to serve Him in Germany with our team. Mark, having grown up as an MK in Europe, supported by his wife Leslie, will be a valuable asset to the church planting ministry in Nuremberg, where they feel that the Lord is leading them.

On behalf of our team here in Germany, I would ask you to please pray for Mark and Leslie. Pray about inviting them to share their burden for Germany with your church family if you haven't done so already. Pray about you as a church family assisting Mark and Leslie with their monthly support and with their outfit and passage fund, which covers initial expenses getting to and beginning their ministry in Germany. Please pray that the Lord will enable Mark and Leslie to soon be able to "come over and help us."

Thank you for your consideration in helping Mark and Leslie. May the Lord richly bless you and your church family as you serve Him together.

In Christ,

Burdette Bergen  
Team Leader  
Baptist Mid-Missions Germany Ministry Team
